Aetna Clinical Policy Guidelines

While Clinical Policy Bulletins (CPBs) define Aetna's clinical policy, medical necessity determinations in connection with coverage decisions are made on a case by case basis. In the event that a member disagrees with a coverage determination, Aetna provides its members with the right to appeal the decision.

Clinical Policy Bulletins - Aetna

Aetna Medicaid adopts evidence-based clinical practice guidelines (CPGs) from nationally-recognized sources. CPGs are tools that help practitioners make decisions about appropriate health care for specific clinical circumstances. They are reviewed every two years or more frequently if national guidelines change within the two-year period.
