Aramis Or The Love Of

Aramis, or the Love of Technology, was written by French sociologist / anthropologist Bruno Latour. Aramis was originally published in French in 1993; the English translation by Catherine Porter, copyrighted in 1996, ISBN 978-0-674-04323-7, is now in its fourth printing (2002). Latour describes his text as "scientifiction," which he describes as "a hybrid genre... for a hybrid task" (p. ix).

Aramis, or the Love of Technology - Wikipedia

Aramis, or the Love of Technology, in this translation by Catherine Porter, comes out the way a game bird should, au point, juicy and delicious.—M. R. Montgomery, New York Times Book Review "Aramis shows with wonderful clarity the many different stories which were told about all aspects of Aramis."—David Edgerton, Times Literary Supplement

Amazon.com: Aramis, or the Love of Technology ...

Innovations create common sense, building it along the way. An innovation that doesn't invent common sense is an oxymoron. All in all, Aramis or the love of technology is a very valuable read for anyone who builds technological objects, even though it's a bit difficult to follow and 'novelistic' for its own good.
