BACtrack Operating Instructions & Manuals. It is extremely important to review all operating instructions prior to using your BACtrack Breathalyzer. BACtrack Breathalyzers are finely calibrated instruments using advanced software, and it is important to learn how to operate and maintain the product to ensure safe use and accurate results.

Operating Instructions & Manuals - BACtrack
BackTrack is ready to use (satellite lock will take longer the first time the BackTrack is used, but be quicker on the next power on). To save time, turn on the BackTrack at least one or two minutes before you will be marking your first location (for example, when entering the parking lot instead of waiting until you get out of the car and then mark where you left it).
