Caterpillar 3126 Engine Problems

The 3126 is based on an earlier engine (3116), it appears that earlier engine had some bad problems and this started it out on a bad foot. I read some posts saying that the early 3126 blocks were weak, and cracked frequently (Something about a french foundry making bad castings) but I think that was actually the 3116 and CAT pro-actively recalled those blocks.

3116 and 3126 Truck Engines Problem Engine Misfiring Or ...

Not exactly the same engine, but yours were derived from the 3116, sort of. I did experience an unwanted engine shut down, only once during 17 years of ownership overall. So, don't take this as a suggestion that your problem is likely to be the same, also because I'm not sure if the 3126 and the 3116 share the same component.

We have a 3126 with 4 thousand hours on it and have had no problems with it. In the late 90's they had some problems with soft blocks. The boat that docks next to me had 12 thousand hours on his 3126 and had it rebuilt, only because of the amount of hours on it.

Cat 3126 2004 Engine The good, bad and ugly? | Downeast ...

I do not recall any owner having a major issue with the Cat 3116 engine. There were several issues with the installation of the Cat 3126 series engines (poor exhaust design, water backing up the exhaust system and hydrolocking the engine), but that was a Mainship problem not a Cat engine problem. _____

Cat 3116 Engine problems - Trawler Forum

Hi , looking over the problem on the Cat 3126 engine must be a E series on hard starting. Having a diesel shop change out the IAP sensor because symptom of startup with IAP sensor disconnect is kind crude but will indicate problem in the IAP circuit. One thing they did not say what event codes present.

Cat 3126 starting problem - Diesel RV Club, an FMCA Chapter

When you read the lawsuit, it was specifically on the 3196 engine. But the 3126 uses the same after cooler, and has a few mentions in the lawsuit. 2. If you click this picture below. This is a snip from the 3126 service manual that give the maintenance interval on the aftercooler. Post back with any questions. Good luck! Jason

We had that exact motor in our 99 Young Brothers for ten years and never had a problem. We sold it with almost 5 thousand hours on it, and it will go another 5 thousand.

Cat 420 3126 engine | Downeast Boat Forum

" Before buying any boat with a CAT engine it's a good idea to have an engine survey, ask for copies of oil samples taken since engine was new, check on warranty work in the past, etc. The 3116's and 3126's in particular have not been trouble free in the past. Also, look at postings on boatdiesel.com.
