The first section presents subject grade boundaries for single award specifications and the second section contains the subject grade boundaries for the Combined Science double award specifications. In the third section, notional component grade boundaries are also presented but these are for illustrative purposes only.

#### Grade boundaries GCSE reformed June 2018

A grade threshold is the minimum number of marks that a candidate needs to obtain a particular grade in a paper or in a subject. These thresholds are decided after each examination has been taken and marked. The aim in each year (or examination series) is to set each threshold in just the right place to ensure that it is no more difficult and ...

The GCSE grade boundaries are based on how difficult each paper is so from paper 1 to paper 2 in the same exam series, the grade boundaries can differ as the difficult of paper may differ. The GCSE grade boundaries are set after the results have been collated and are based on how students across the country have performed.
