### F Landis Markley John L

Dr. F. Landis Markley has been one of the pillars of spacecraft attitude estimation as well as one of our most important mission engineers. Joining the Computer Sciences Corporation in 1974, he established himself quickly as an expert on all aspects of spacecraft attitude mission support. He moved to the United States Naval Research Laboratory in 1978 and to his current location at NASA Goddard Space Flight Center in 1985.

### Fundamentals of Spacecraft Attitude Determination and ...

F. Landis Markley and John L. Crassidis. Fundamentals of Spacecraft Attitude Determination and Control provides the fundamental concepts and mathematical basis for spacecraft attitude determination and control. It is intended to serve as both a textbook for undergraduate and graduate students and as a reference guide for practicing professionals. A primary motivation of this text is to develop the theory of attitude determination from first principles to practical algorithms, because very ...

### **Fundamentals of Spacecraft Attitude Determination and ...**

This paper provides a survey of modern nonlinear filtering methods for attitude estimation. Early applications relied mostly on the extended Kalman filter for attitude estimation. Since these applications, several new approaches have been developed that have proven to be superior to the extended Kalman filter. Several of these approaches maintain the basic structure of the extended Kalman ...
