Giving Voice To Values Babson

The main idea behind the Giving Voice to Values (GVV) approach to values-driven leadership development is the observation that a focus on building awareness—on teaching employees to recognize and analyze ethical issues in a particular situation—is insufficient.

Giving Voice to Values in Leadership | Babson College

Her book, Giving Voice to Values, is inspired by a curriculum Gentile launched at the Aspen Institute with Yale School of Management, with interim support from Babson College and now based at University of Virginia Darden School of Business and which has been piloted in over 1,020 schools and organizations on all seven continents.

Giving Voice to Values - How to Speak Your Mind When You ...

One of the best books I have read on the subject is Giving Voice to Values by Mary C. Gentile, a Babson College educator and consultant who draws on her business experiences to challenge the conventional notion of business ethics at companies and as taught in business schools. I highly recommend the book to business leaders, those who want to lead any organization in an ethical manner, and colleges and universities that are looking for ways to enhance their coverage of ethics in the curriculum.
