Photography How To Take Winning
The proper lighting can make the difference between winning and losing a photography contest. Shadows or the glare from overly bright lights can destroy an otherwise perfect picture. Try taking pictures early in the morning, just before sunset, or on a cloudy day. Use the flash on bright days to fill in shadows on faces or irregular surfaces.

How to Take Better Pictures & Win Photography Contests
Use Leading Lines. Leading lines are line shapes in your shot that can help guide a viewer’s eyes to the focal point. They can be anything that creates a line in your photo, like roads, fences, buildings, long hallways, trees, or shadows. The trick is using them take a viewer’s attention where you want it to go.

How To Take Professional Photos: A Beginner’s Guide
All nine should read: take good photos. Your 30,000th flower picture for DPR won't help you win. Just take good, relevant photos and stop focusing on making comparison and test photos for your favorite forum and stop advertising for the brand you use.
