Power, Judgment and Political Evil: In Conversation with Hannah Arendt (Rethinking Political and International Theory) 1st Edition by Danielle Celermajer (Author), Andrew Schaap (Editor)

Power, Judgment and Political Evil: In Conversation with ...

In an interview with Günther Gaus for German television in 1964, Hannah Arendt insisted that she was not a philosopher but a political theorist. Disillusioned by the cooperation of German intellectuals with the Nazis, she said farewell to philosophy when she fled the country. This book examines Arendt's ideas about thinking, acting and political responsibility, investigating the ...

In social science and politics, power is the capacity of an individual to influence the conduct (behaviour) of others. The term "authority" is often used for power that is perceived as legitimate by the social structure. Power can be seen as evil or unjust. This sort of primitive exercise of power is historically endemic to humans; however, as social beings, the same concept is seen as good and ...

Power (social and political) - Wikipedia

Power is frequently defined by political scientists as the ability to influence the behavior of others with or without resistance. The term authority is often used for power perceived as legitimate by the social structure. Power can be seen as evil or unjust, but the exercise of power is accepted as endemic to humans as social beings.

'The C. L. P. of California fully recognizes the value of political action as a means of spreading communist propaganda; it insists that in proportion to the development of the economic strength of the working class, it, the working class, must also develop its political power. the C. L. P. of California proclaims and insists that the capture ...

WHITNEY v. PEOPLE OF STATE OF CALIFORNIA. | Supreme Court ...

Arendt, however, claimed that the Critique of Judgment contained Kant's unwritten political philosophy, and that the first part of it, the "Critique of Aesthetic Judgment," was the most fruitful basis on which to build a theory of political judgment, since it dealt with the world of appearances from the point of view of the judging ...

Hannah Arendt (Stanford Encyclopedia of Philosophy)

This connection between the complicity with political evil and the failure of thinking and judgement inspired the last phase of Arendt's work, which sought to explicate the nature of these faculties and their constitutive

role for politically and morally responsible choices.
