Walters

The Breaker Minette Walters This is a pleasant, engaging story that is set along the south coast of England. It reminded me of some Agatha Christy novels from decades ago in that new clues keep dribbling in, which leads to continual analysis and speculation.

The Breaker by Minette Walters: Summary and reviews

Minette Walters' stature and sales record is growing faster than any other crime writer. This stunning new book will continue this spectacular ascent. Twelve hours after a woman's broken body is washed up on a deserted shore on the

Drowned and Dirty

Reviewed by J.

Kingston Pierce.

There's nothing even remotely cozy about Minette Walters' mysteries. From her debut in *The Ice House* through her new sixth novel, *The Breaker*, she has helped to put a fresh coat of grit on British crime fiction, which for too many decades was dominated by Agatha

Review | The Breaker

Minette Walters, *The Breaker* (Putnam, 1999) [originally posted 7Jul2000] I kept looking at the dadaesque, semi-erotic cover of the novel trying to figure out whether to pick it up or not. Finally, I decided

File Type PDF The Breaker Minette Walters

to sink the cash and give it a shot. Sometimes you can judge a book by its cover. From page one, this is no ordinary mystery.

The Breaker eBook: Walters, Minette: Amazon.ca: Kindle Store

Unfortunately, a very
disappointing outing. I
am quite fond of some
of Minette Walters'
other mysteries, but
when held up beside

File Type PDF The Breaker Minette Walters

them, The Breaker is extremely weak. The crime, a woman's rape and murder, is brutal and horrifying, and nothing in the rest of the book, including the reveal of the killer and the explanation of his motives, stands up to those first images.
