### The Librarians book by Glenn Cooper

Librarians will be challenged to "learn new skills to be able to implement the new technologies for learning, research and information for their patrons". This could lead to an increased focus on learning and development within libraries, a shift in what is taught in Library & Information Science courses or perhaps simply an expectation of ...

### How Technology Is Changing the Future of Libraries

The Librarian and Her Beast This was a good story. I enjoyed reading about the life of a librarian and the football coach at a private school. Piper was a very small lady and Nash was just as big as a pro foot ball player. He definitely had eyes for Piper and she was excited just looking at him. Nash had a problem, he didn't talk much.
