### The Library Card American Library

The library card, or more properly the borrower's identification card, is the ticket to a library's resources, as it is used to identify the bearer as a registered borrower and provides information, typically in the form of the bar code, for the loan record in the charging or circulation process. Do I have to carry mine?

### Home - Library Cards - LibGuides at American Library ...

In society, YMCA, Sunday school, and other types of membership libraries, there began to be membership cards, which served as library cards. With the public library movement in the 19th century, it became necessary to register users who were permitted to borrow books and connect those users with the borrowed items.

This post originally appeared on the Library as Incubator Project in April 2013. When posts about the Library Card Project, facilitated by the American Craft Council, started to crop up on Twitter we naturally couldn't wait to reach out to ACC organizers and find out more about this ephemera inspired handmade project. Today we ask project organizers Elizabeth Ryan and Jessica Shaykett to ...
