The first, the virtue approach, is directed toward groups and individuals, and is characterized by a politics of blame. The virtue approach divides citizens against one another, and thus undermines the social cohesion necessary for universal social provision.

### On the Politics of Virtue - The American Prospect

The fate of the nation now seems to rest on moral uplift. Ironically, our politics get most ugly precisely when values come to matter most. What is most startling about the contemporary moral cry is its bias. The celebration of virtue stops at the market's edge. The lamentations about lost values are directed largely at poor people.
