It is unique in that it contemporaneously weaves each woman's story around the family matriarch as opposed to the usual technique of writing each person's story in chapter form.

Summary and reviews of The Roots of the Olive Tree by ...

The Holy Root Of The Olive Tree We learn in Romans 11:17, that we Christians are spiritually grafted into the ancient olive tree of Israel. Our faith does not stand alone, but is supported by that tree. Those who are familiar with the olive trees of Israel realize that these old trees can live hundreds of years.

The Holy Root Of The Olive Tree

That other is the Church. There are two reasons that the olive tree's root has been wrongly interpreted as symbolizing the Messiah. First, the Greek word ρίζα (rídza, root) appears in Romans 11:16. There rídza seems to parallel the Greek word ἀπαρχή (aparxe, firstfruits), which calls to mind 1 Corinthians 15:20, 23.

THE ROOTS OF THE OLIVE TREE - Reading Group Choices

Paul shows us that the olive tree represents the covenants and promises to Israel, growing from its holy Root, which is the Messiah, the Word of God. The natural branches are the people of Israel. Those who turned away from that relationship were broken off.

Lessons from the Olive Tree - Pray4Zion

The root system of the olive trees develops vertically until the third to fourth year of its life. Later on, the original root system is replaced by another flocculent root system, produced mainly by spheroblasts or conger, formed in the olive tree neck, just below the soil surface.

Olive Tree Information - Wikifarmer

roots of the olive tree can be seen on either side of the tree. Shoots can also come from the stump of a tree cut down (as in the next pictures). It was this image that Isaiah had in mind when he said: "And there shall come forth a rod out of the stem [Heb., stump] of Jesse, and a Branch shall grow out

Olive Tree Horticulture

It is spiritual, because only righteous, born-again, blood-bought believers are in the Olive Tree, whether Jews or Gentiles. It pertains to Israel, because the root is the fathers of Israel — Abraham, Isaac and Jacob — and the natural branches are Messianic Jews, who remain in the Olive Tree by virtue of their faith in Yeshua, the Christ.

What is the Olive Tree? | Zola Levitt Ministries

A young olive tree needs to acclimate to the soil it will be inhabiting, so you shouldn't alter it, only using the natural soil from around the same area to help fill around the root ball. The only exception to this is if your native soil is not well-draining. Olive trees require plenty of moisture to thrive but do not like to be kept in wet soil.
